To the concerns parties of the above-referenced action,

Please take notice that Ms. Hodge did not show up for her appointment with South Carolina Legal Services ("SCLS") today. We contacted SHARE and they could not confirm whether she spoke with anyone there today as well. Per our retainer agreement with Ms. Hodge SCLS will be relieved of representing her in this matter and will take the necessary steps to withdraw the complaint we filed with the Public Service Commission on her behalf.

I appreciate everyone's willingness to assist SCLS in our attempt to help Ms. Hodge and her minor child obtain electric service and all the time and effort put forth toward that endeavor. I look forward to working with you all in the future and if there is anything that SCLS can assist you with, please do not hesitate to contact me directly. Thank you.
